The images below are from Eddie Stake's site

(<http://www.planethoustonamx.com/amc-dealerships/amc-dealerships.htm>) It is believed to be from the early 1980s (VAM ceased operations in 1986). There are more dealership photos and info on Eddie's site for the US also.

AMCs were built in Lerma (just outside Mexico City) by Vehiculos Automotores Mexicano (VAM – a joint AMC/Mexican government venture) 1963-1986.
